

## Home/school agreement

Here at Clarborough Primary School, we value respect, resilience and learning. A close partnership between school and home supports this. We ask all parents and pupils to agree to the following:

### **The school agrees to:**

- Provide a safe, happy and purposeful learning environment
- Value your child as an individual
- Deliver a stimulating and engaging curriculum to develop your child's potential
- Inform parents and carers of your child's progress and behaviour
- Provide your child with homework appropriate to their needs
- Allow children secure access to the internet to develop a responsible attitude
- Listen to your views

**Signed.....(teacher)**

### **Pupils agree to:**

- Follow the school's Golden Rule
- Try their best and work hard
- Wear the correct school uniform in class and for PE lessons
- Use the internet and technology safely and responsibly as they have been taught in school
- Attend school regularly and on time

**Signed..... (pupil)**

### **Parents and carers agree to:**

- Support the school ethos, values and Golden Rule
- Ensure your child attends school every day in term time unless there is a good reason (like illness)
- Support policies on learning, behaviour and uniform
- Attend consultation meetings to discuss your child's progress
- Support your child's homework, ensuring your child reads at least 3 times a week and regularly practises their spellings

**Signed.....(parent or carer)**
