Weekly Newsletter

W/e 28th January 2022

Dear Parents and Carers,

Well, what a week it has been! Thank you for your patience and understanding as we have had to react to many changes at short notice. The children have worked brilliantly in their bubbles and those children accessing learning at home have sent some excellent videos and tasks in too.

I will be reviewing staffing levels over the weekend to make sure the children are safe in school and will let you know as soon as I am able to if there are further changes. Working in bubbles this week has supported the school staying open. This bubble arrangement will continue for as long as necessary and at least for next week. Changes to the structure of the day will also be considered as will the temporary closure of year group bubbles. This will only be done as a last resort to keep staff and children safe.

Thank you,
Mrs Cowell-Clark

Toys and Fidget Toys

Please note that fidget toys or any other sort of toy should not be brought into school unless you have spoken with your teacher and they have permitted your child to bring it in.

CCTV Car patrolling in our area

Nottinghamshire County Council uses CCTV cars to enforce parking outside of schools. They visit schools in Nottinghamshire and will record, whilst passing, the details of any cars parked illegally. If vehicles are parked in contravention the registered keepers will receive a Penalty Charge Notice.

These restrictions are in place to provide a safe area outside of the school where the children will gather or cross the road therefore, we ask for your help in keeping this area free of parked vehicles.
